The information we are requesting from you is to make sure that we offer you the best service in helping you to select the best business for you. Buying a business is sometimes “a one shot deal” for many buyers. We would like to share our 25 years of experience by making sure we are offering you the best possible choices. Also, our sellers always ask that we do not expose the business to too many buyers so that the employee and client base remains in tact for the next owner. Your understanding all this is appreciated. You just might be the next owner!
